Towne Lake Jam Session

We all know that Towne Lake is full of talented residents and so it's time the stage is set for its musicians to gather on a regular basis. You know who you are, you're tired of playing your guitar, drums or keyboard by yourself and would love to share and learn new songs with other Jammers. Maybe you've played in a band in high school or college and have wanted to get back into it but there's never been an opportunity.

So bring your instrument, your voice, your passion for music, your song ideas, etc... let's see where it musically takes us as a community. If you have any questions contact TL Resident Randy Hebert at 713-805-2216.

Once all the obstacles have been sorted and thought through, dates can be set, people can be contacted and the group can move forward. Sometimes this process can take some time depending on the activity schedule and the number of request currently being processed. We are always looking for volunteers to take the lead on community groups or to volunteer for events. We thank you in advance for your dedication to make Towne Lake great!
